Ryhill	19	4	1	14	27	86	9
Worsbro' Common	18	0	4	14	16	66	4

### Notes

*Last known table published in the Barnsley Chronicle on 22 April 1902. The club also entered a reserves team into the Barnsley Junior League. At the end of the season the Minor Cup became the top division for the following season, the Junior League became division two and the Challenge Cup, which had been division one, became a knockout cup. \*The last known published table has South Kirkby at the top of the table, Hemsworth in second two points adrift and having played a game more and just two games for them to play. Silkstone were third, with only two games left to play with a game less than South Kirkby to play and an inferior goal difference. It can only be assumed that South Kirkby were champions. No Minor Cup final game took place at any point.*

### Honours

Barnsley Association Football Union Minor Cup league winners.\*
